

Volunteer Role Profile

Volunteer Role	Seasonal Volunteer Wildlife Assistant / Driver, Petterden (Dundee)
Volunteer Manager	Chief Inspector, Aberdeenshire & Tayside Region
Where you will be based	Other

Why we want you

We need help during the very busy spring and summer months to carefully transport wildlife casualties from our Petterden ARRC, Dundee to our National Wildlife Centre in Fishcross, Alloa. To be able to carry out this role you must have unlimited access to your own vehicle; a full UK driving licence and business insurance cover for your vehicle. All fuel expenses will be reimbursed.

What you will be doing

- Uplift wildlife casualties and transport from our Petterden ARRC to our National Wildlife Centre, Fishcross (Nr Alloa)
- Transfer animals lawfully, safely and securely
- Maintain relevant wildlife records accurately
- Attend to the welfare needs of wildlife, including preparation of food
- Undertake general admin tasks with the utmost care

The skills you need

- Practical experience of working with animals
- A strong interest in Scottish wildlife
- A commitment to animal welfare
- Sound driving skills
- Flexible approach to carrying out duties within specified shifts
- Self-motivated and reliable

What's in it for you

- Volunteering with us is incredibly rewarding and in return for your time and commitment, you will gain invaluable experience helping Scotland's leading animal charity. You will be part of the wider SSPCA Team, dedicated to championing Scotland's animals.

Disclaimer

We ask prior to commencing this role that you check with your GP that you have an up-to-date anti-tetanus vaccine. If not, we would recommend visiting your GP to receive the inoculation/ booster
